

Between tradition and innovation: learn the art of coffee in Milan

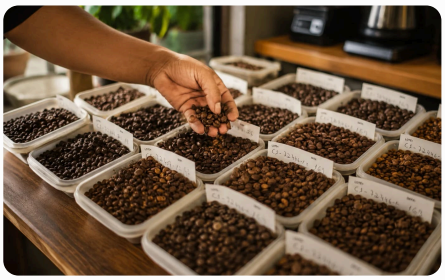

Milan · Lombardy

- Duration: 2 h
- Up to 8 people per booking
- Food and flavours
- Free cancellation up to 48 hours before

The moka pot is one of the most iconic symbols of Italian coffee culture, but behind this daily ritual lies a world of technique, aromas, and traditions. This experience guides you through the discovery of contemporary coffee through tasting, preparation, and storytelling in an elegant and refined environment dedicated to specialty coffee culture.

Led by Cafézal baristas, you will learn the secrets of perfect moka pot preparation, exploring aromatic profiles, extraction techniques, and details that influence taste and balance in the cup. During the experience, you will also take part in a guided tasting of artisanal coffees, delving into the philosophy, research, and contemporary approach to the world of coffee.

A sensory experience designed for those who wish to experience coffee in a more conscious, refined, and authentic way.

What makes this experience special

- Masterclass dedicated to preparing coffee with an Italian moka pot
- Guided tasting of aromatic profiles and specialty coffees
- Professional techniques explained by Cafézal baristas
- An experience combining coffee culture, design, and conviviality
- Elegant and intimate atmosphere designed for small groups
- A contemporary approach to Italian coffee tradition
