

Decorate a Venetian mask in a craft workshop in Venice

Venice · Veneto · ★ 4.9 107 reviews

- Duration: 2 h
- Up to 8 people per booking
- Crafts, Masks
- Free cancellation up to 48 hours before

In the heart of Venice, this Venetian mask workshop takes you into one of the city's most iconic Carnival traditions. In an authentic artisan workshop, you will discover the charm of manual decoration amidst colors, fabrics, and precious details inspired by Venetian aesthetics.

Guided by a true Venetian mascarer, you will decorate your mask using traditional materials such as gold leaf, feathers, Swarovski crystals, and selected fabrics. During the workshop, you will learn the decorative techniques used by local artisans, personalizing every detail of your creation in a creative and immersive atmosphere.

What makes this experience special

- Venetian mask decoration workshop in the center of Venice
- Experience guided by an authentic Venetian mascarer
- Use of gold leaf, feathers, Swarovski crystals, and decorative fabrics
- Traditional artisan decoration techniques
- Creative atmosphere inspired by the Venice Carnival
- Personalized mask to take home

What you take home (along with the magic of Venetian Carnival)

The satisfaction of having transformed a mask into a personal creation rich in details, coming into contact with symbols, colors, and traditions that have for centuries told the most theatrical and fascinating side of Venice.
