

Create your vision board with an aperitivo in Venice

Venice · Veneto

- Duration: 2 h
- Art, Drawing
- Up to 8 people per booking
- Free cancellation up to 48 hours before

A table full of images, words, and visual cues to start from. Here, creativity meets intention: cut out, arrange, and build something that speaks to what you want, not just what you see.

Guided by a painter, you will begin by exploring materials and choosing the elements that best represent you. You will cut, assemble, and shape your vision board, following a simple yet personal process. Around you, the atmosphere remains light: chatting, sharing, toasting.

During the experience, collage ceases to be just a creative exercise and becomes a way to focus desires and directions, spontaneously and without forcing.
