In the Venetian lagoon, this artistic experience aboard a historic Timoteo invites you to slow down and observe the city from the water through color, light, and tradition. Aboard a unique 1920s burcio, you will experience a creative workshop immersed in the silence of the lagoon and the timeless beauty of Venice.

Guided by experienced artists, you will learn to paint with the traditional egg tempera technique, inspired by Venetian masters like Bellini. During the navigation, you will create your own painting, inspired by the reflections of the water, the lagoon landscapes, and the relaxed atmosphere of the experience. On board, you can also enjoy an aperitif with prosecco, soft drinks, and Venetian cicchetti.
