Play. Breathe. Experience Pevero.
It's not just a game. It's the privilege of being accompanied by an exceptional coach on one of Europe's most spectacular courses. Alessio Cocchi will guide you through 18 holes nestled between the blue sea and the green Mediterranean scrub.

What you will do:
• Experience an immersive round of golf, with technical and strategic advice along the way
• Discover every secret of the Pevero course, from the panoramic holes to the most challenging fairways
• Improve your game directly on the field, with the constant support of a professional

What makes this experience unique:
The slow pace, the breathtaking scenery, the feeling of being part of something unique. It's not just sport: it's presence, it's harmony.

The experience includes:
• Technical support for 9 or 18 holes
• Real-time, tailored coaching
• Access to the course + booked tee time
