

Enjoy a boat trip to Asinara with a local fisherman and lunch on board

Porto Torres · Sardinia

- Duration: 8 h
- Up to 8 people per booking
- Food and flavours
- Free cancellation up to 48 hours before

Starting from Stintino, this boat experience in the Asinara Park takes you to discover the most authentic Sardinia between artisanal fishing, crystal clear sea, and traditional onboard cuisine. Together with Davide and Silvia, you will experience an immersive day made of slow navigation, sea stories, and stops in the island's most charming coves.

During the excursion, you will witness fishing with pots and traditional techniques handed down through generations, exploring iconic places like Cala Reale and Fornelli. On board, Silvia will prepare the catch of the day along with typical Sardinian dishes accompanied by local wine, coffee, and a digestif, to be enjoyed in front of Asinara's turquoise waters.

A convivial and genuine experience that allows you to experience the sea of Sardinia through local flavors, stories, and traditions far from the most touristy routes.

What makes this experience special

- Boat excursion in Asinara Park
- Artisanal fishing experience with local fishermen
- Fresh fish lunch cooked on board
- Swimming stops in coves and crystal clear waters
- Small group for a special experience
